

Back to School Drive

Back to school is fast approaching. Our goal is to support 220 **Grimsby** students this school year.

Please consider supporting GBF's Back-To-School Program to help support local students in their academic success. Registered children will receive a new backpack, school supplies, running shoes and lunch snacks. Program funds are also used to support school-related activities that take place throughout the year such as: student lunch fees, field trips, photos, uniforms, graduation fees and so much more. With your help, we can ensure students will return to school in September with the resources they need for a successful school year.
